Who Should Participate?

Government
Municipalities
Regulators
Utilities
Energy companies
Financial Institutions
Energy Traders
Project Developers
Lawyers
Consultant
High Emission Companies

Sponsorship, Exhibition & Advertising Opportunities

Capture the attention of the industry and promote your product to key players in the CEE Emissions Trading market.

A range of sponsorship opportunities available (dinner, cocktail reception, bag, lanyard, badge sponsor etc) which offer excellent branding to help promote your company to a targeted group of industry executives. A small number of exhibition stands are also available alongside the conference.

Benefit from:

- Extensive profiling on the website, brochure and e-marketing campaign
- Extensive on-site branding at the event
